

Application No. 10/719,333  
Response to Notice of Non-Compliant Amendment dated May 18, 2006

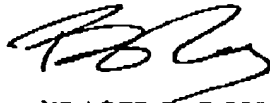

**REMARKS**

A Notice of Non-Compliant Amendment was mailed May 1, 2006, indicating that the amendment document filed by Applicants on February 21, 2006, was non-compliant because new claims 59-72 should not be underlined. The Amendments to the Claims included in this response have replaced the underlined new claims 59-72 with new claims 59-72, which do not contain underlining and correct a typographical error on the identifier for claim 56.

Applicants respectfully submit that this amendment does not introduce new matter, and entry thereof is respectfully requested. In the event there remains any impediment to allowance of the claims which could be clarified in a telephonic interview, the Examiner is respectfully requested to initiate such an interview with the undersigned.

Dated this 18 day of May, 2006.

Respectfully submitted,
